

Veteran Application

Central Valley Honor Flight recognizes American Veterans for their sacrifices and achievements by sending them to Washington D.C. to visit their memorial at no cost. Top priority is given to WWII and terminally ill veterans from all wars. Honor Flight will be expanding to include Korean and Vietnam Veterans. In order for Honor Flight to achieve this mission, guardians accompany the veterans on every flight, providing assistance and helping veterans have a safe, memorable and rewarding experience. Guardians are also responsible for their own expenses (airline fare, etc.). Guardian Applications can be found on the Honor Flight website. In honor of their sacrifice and service to our country, please consider this a small token of appreciation from all of us at Honor Flight in giving back to our veterans, who gave it all so we could be free.
